

Cowboy in the sky

Mike and Mum ride a bike to the park.

Mike and Mum fly a kite up in the sky.

Oh no! My toy cowboy is on
the kite string!

The children in the park point
up.

Is that a toy cowboy?

That's right! It's a cowboy,
high up in the sky!

The moon at night is big and bright.

Don't cry, Mike. It's time for
bed.

Quick! What's that in the
garden?

My toy cowboy is in the soil!

My toy cowboy is in my room!
