

How to make these paper fans

What you need

Papers (2 folios A4), colours, a wooden stick (si tenéis pinzas de la ropa como las del ejemplo mejor), a string and glue.

1

First, print the template (si no tenéis impresora podéis dibujar las caras.)

2

Get folding! like an accordion, folow the lines and look the example.

3

Once you have folded boths sides, glue the 2 sheets in the middle.

4

Hold the bottom of the accordion and tie it with the string. It has to be quite tight. It's finished!
