BEAN ART

DAB-DAB THE DUCK OR OTHER ANIMALS

WHAT YOU NEED:

- Piece of cardboard.
- White glue.
- Pencil.
- Dried beans (judias) and chickpeas (garbanzos)
- Acrylic craft Paint (pintura de tempera o acrílica)
- Paintbrush.

HOW TO MAKE IT?

STEP 1

Use a pencil to draw the character you want to create.

STEP 2

Start to glue the beans doing the eye detail as well. Allow the glue to dry.

STEP 3

Next we glue on the beak, using smaller beans. Again, let the glue dry.

STEP 4

Repeat the process with the chickpeas until the entire cardboard is covered. Let dry and colour it.

Finally, colour the eye detail with black paint and your bean portrait is complete!

Well Done!
